

Welcome to the delivery service for the Compassionate Connoisseur's Collective where we strive to help our patients fulfill their medical needs.

We offer top grade medical cannabis, concentrates, edibles and tinctures and make them available through our discrete and professional delivery drivers.

All patients are required to have a valid recommendation from a doctor pursuant to Prop 215, and a valid ID. Patients must also be a California resident.

Please use the form to the right to start the verification and ordering process. You can also call now at **310-910-1613**.
